

“The last Saturday in June is race day in Lima”

Do you hear what I hear? NOTHING – The absence of political BS has left a void in our eardrums! A good flat track race can fix that. **The date is June 24!!!** We have 24 tickets reserved in our usual area at \$35 each. I Need to have your cash or check (payable to Mid-Michigan Motorcyclist) by our March MMM group meeting. They either have our money on time, or we lose our tickets.

Rooms are still \$109 + tax at the Hampton Inn. It is the best place to be in Lima and includes a **BIG**, free continental breakfast in the morning. The hotel is within walking distance of bars, restaurants and the racetrack. Coolers are welcome almost anywhere but in the pool. To reserve your room, call (419) 225-8300 weekdays and ask for Lisa Gordon. Rooms are under “Mid-Michigan Motorcyclist”. We have 15 rooms blocked at this hotel **only until April 1st – so call now!** Call me if you have any questions (517) 646-7319.

It’s a leisurely, two lane ride to Lima – same thing back, on different roads. Harley shops and ice cream stop are included. Guy Elsenheimer is responsible for the weather, for at least two more races. Make sure you give me your ticket money and call the hotel on time.

See you at the February meeting.
